

The background of the cover is a photograph of a modern, multi-story glass building. The building's facade is composed of a grid of rectangular glass panels. It is captured during the 'golden hour' of sunset, with the sky and the building's surface reflecting a warm, orange-gold light. The sun is positioned low on the right side of the frame, partially obscured by the dark silhouettes of trees. The overall mood is serene and architectural.

31st Falcon Club of America National Convention Issue

December 2010

Cover: Fantastic 50th! 2010 FCA Convention

This issue is so full of convention coverage and award winners that it had to be expanded from its usual size! There were so many Falcons and the Metro Detroit Chapter got a picture of every single winner except for four! That is a record in the Editor's tenure!

Congratulations to the Metro Detroit Chapter for making the 31st FCA Convention such a fun filled experience for kids and grown ups alike! See coverage in these pages of all the activities and parking lot action.

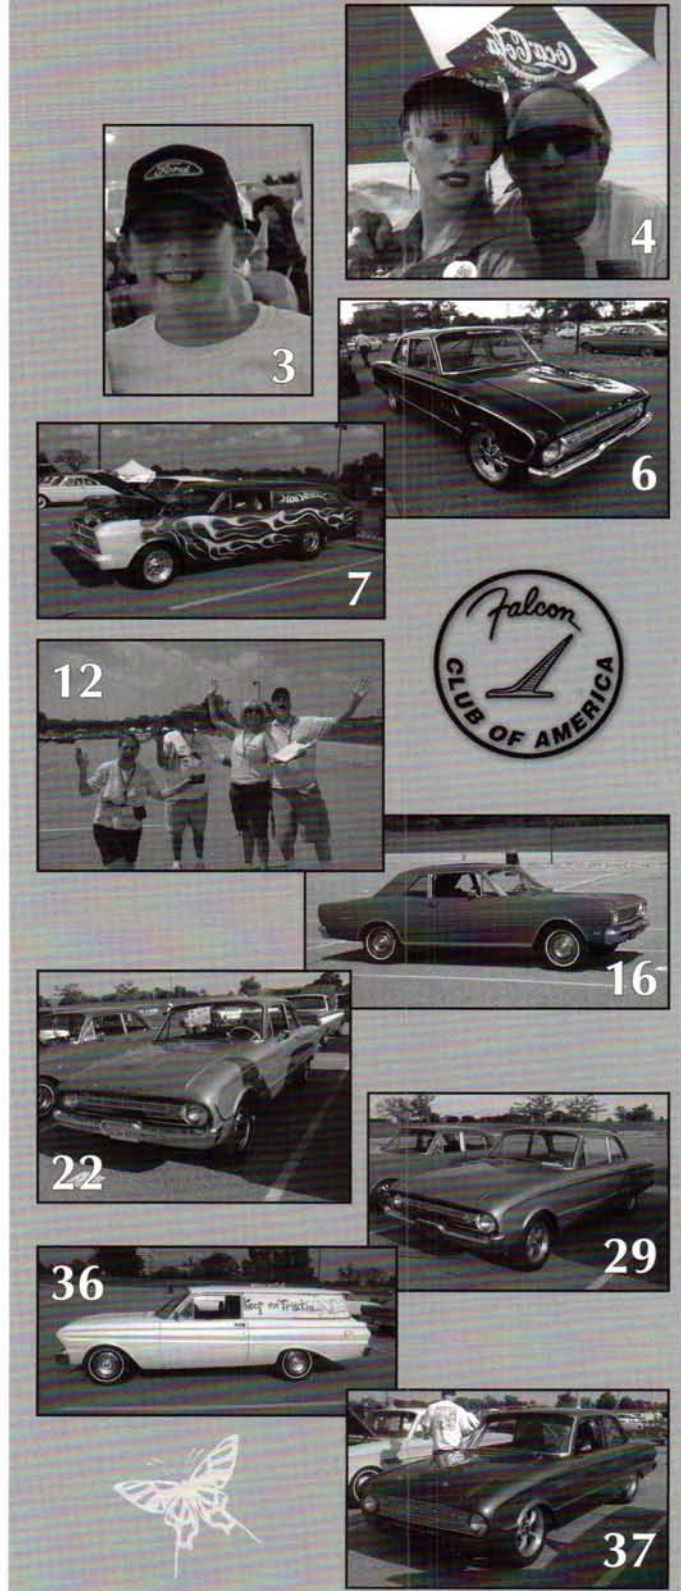

And if you think there should be more convention coverage, you're right! Next month's issue will have even more photos and stories from the Falcon's Fantastic 50th—Welcome Home celebration.

Use the registration form on the jacket to register early for next year's Stampede to Steamboat. Registering early always helps the hosting chapter plan ahead and make the very best possible arrangements for FCA members.

See you there!

President's Message

Chuck Beason

Seasons Greetings!

As we approach the Holiday Season, we will remember family and our many Falcon friends we've made over the years. Let us not forget this great country we share and the brave men and women serving in our Armed Forces around the world. Thank them for their service as opportunity permits.

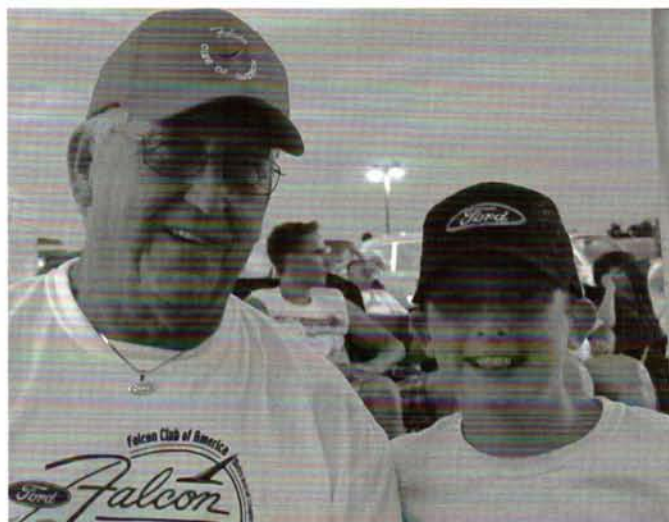

This is the issue that everyone has been waiting for. The December National Falcon News is a special edition featuring the National Convention, "Falcon's Fantastic 50th" in Dearborn. What a terrific job the Metro Detroit Chapter did hosting this event. What a beautiful sight, all of those great Falcons together at the Ford Development Center for a lap around the test track.

Thanks to the Chapters that hosted Regional Meets in 2010 and a special thanks to all of the FCA members attending these meets making them a huge success. Plans are being made for Regional Meets around the country in 2011 and of course the "Stampede to Steamboat" for the 32nd National Convention of the Falcon Club of America being hosted by the Mile Hi Chapter.

At this time Carolyn and I would like to take this opportunity to wish each and every one of you a very happy and safe Holiday Season.

Don't forget, "Take A Kid To A Car Show".

Chuck Beason with grandson Alex Hightower at 2010 FCA Nationals

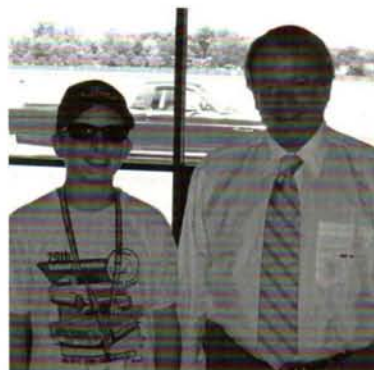

Letter from Alex

My name is Alex Hightower and I am in the 6th Grade at Imperial Estates Elementary School in Titusville, Florida. You might know my Nana and Pops, aka Carolyn and Chuck Beason.

Over the past year or so many of you have collected "Pop Tabs" for me, and I wanted to thank everyone for sending them to me. The deadline for turning in our Pop tabs was April 20th. My school collected 1,929 pounds of tabs. We collected close to three times as many as any other school in Central Florida. The contest is to support the Ronald McDonald House in Orlando. This house helps families with facilities to stay in while their child is being treated for various illnesses. This is a big help to lots of families and my school participates in this every year. We have won the contest almost every year that I have gone to Imperial and we are proud to hold the title once again. We lost last year by 10 pounds.

Thanks to Nana and Pops, I was able to attend my first FCA National Convention this year in Dearborn. I really enjoyed all of the activities and especially the tour of the Ford Test Track and meeting Mr. Edsel Ford III. I really enjoyed meeting many of the FCA members who helped with the collection of Pop Tabs. Thank you again to all who helped.

Sincerely,
Alex Hightower

Falcons Fantastic 50th:—31st Annual FCA Convention

The Falcon Club of America took their Falcons home to Dearborn, Michigan for this year's 31st annual FCA Convention. And what a homecoming it was!

The Metro Detroit Chapter did an excellent job of organizing the event and pulled out all the stops to entertain and educate the Ford lovers who attended. There was a very popular run around the Ford test track, complete with a talk by Edsel Ford III.

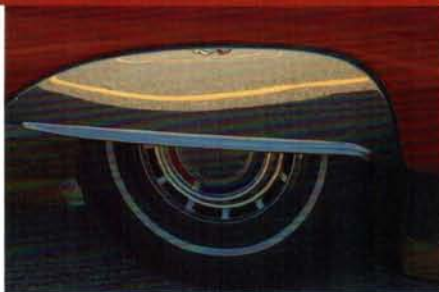

A tour of the Roush Racing Museum detailed lots of Ford history and many unusual cars from Ford's past.

The usual parking lot activities included a lot of car polishing and detailing, tire kicking and lie telling, as usual, with over 315 Falcons for members' viewing pleasure. It's always good to catch up with old Falcon friends. The weather was very cooperative with beautiful evening sunsets providing a spectacular view of the Ford building in the background and a good turnout for the drive-in movie. Of course, we did have a pretty good downpour, but what would a car show be without a little rain? There was a pizza party for the kids and the valve cover races were once again conducted by master valve cover guru Dale Holland presiding over an increasingly competitive field.

The voting got even more difficult this year with so many beautiful Falcons on the show field, and the new Lite Modified category made its debut with a good number of entrants. It seems like a lot of the ladies let the men fill out their ballot; maybe that category should be changed to "Ladies Husband's Choice..."

This year marked the first Jerry Miles Memorial Award, commemorating late FCA member Jerry Miles, who passed away in April of this year. His long-time buddies Doug Browning, Ronnie Crawford and Cliff McKay combed the parking lot for a car they knew Jerry would call "sweet" and they found it in Dan Barnhouse's 1961 modified sedan. Jerry obviously had a good eye, as that

After much research, I have found that no one out there is currently making a hard fiberglass tonneau cover for 1960 to 1965 Rancheros. However, I have found a manufacturer who will make a mould for us if we can put together 10 people who will order a cover. The covers look great, save gas, and help prevent rust under the removable bed panel as water never even gets down there. If you are interested, please get back to me and with your contact info. Falcon also won First Place in its class and the Best of Show award for Modified Falcons.

The Falcon National News won another Old Cars Weekly Golden Quill Award, which was also dedicated to Jerry by the Editor. He was a good friend and a fine man who is greatly missed.

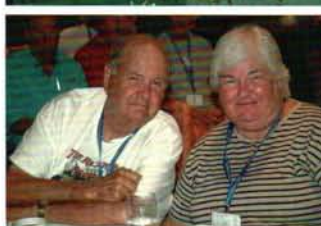

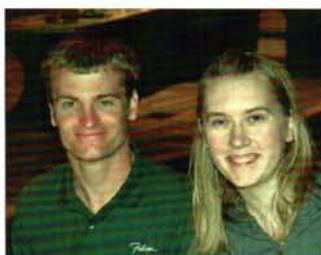

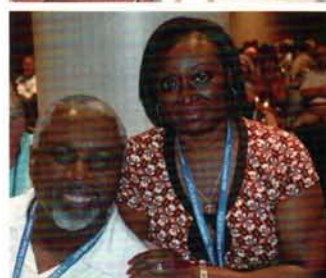

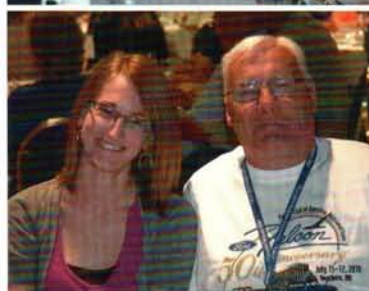

The ladies of the Hospitality Room really went all out. This was the best Hospitality Room ever! They fed us as much as we could eat, and knowing Falcon people, that's saying a lot! From a full lunch to lots of home-made cookies, cupcakes and goodies, there was no reason to go hungry at this show. There was even a complimentary ice cream social on the parking lot.

The vendor area was one of the most crowded and active in years! There were truckloads of good stuff to choose from and lots of shade.

The Hyatt Regency Dearborn Hotel staff was exceptionally friendly and helpful throughout the weekend and the meeting rooms and banquet facilities were top notch. Every year it seems like the convention can't get any better, yet every year it does. Hats off to the Metro Detroit Chapter for hosting the Falcon's Fantastic 50th and Welcoming Home all our Falcons.

Browse through this issue and catch up on the fun if you couldn't attend, and relive the good times if you did.

The Mile Hi and Wild West Chapters are hard at work planning next year's convention in beautiful Steamboat Springs, Colorado. Steamboat is a great ski and tourist town with lots of places to eat and shop and the hotel promises to be a very attractive and accomodating venue. Use the registration form in this issue to reserve your spot now.

Dearborn Classics

Designed exclusively for your vintage Falcon, Dearborn Classics is pleased to present these exciting new products—at Special Introductory Pricing. But only until the end of November! To get this special pricing, you must mention code: DCX10B.

1964-1965 Falcon Fuel Filler Relocation Kit

In response to customer input, this ingenious kit was developed to eliminate the very common problem of gas spill on 1964-65 Falcons. If you own one you know how hard it is to fill your tank without spilling fuel out on your tail panel, and of course the awkward position involved! This kit allows you to relocate your gas filler into a vertical position right in front of your trunk latch for easier "no spill filling". We have used a high quality marine style gas cap with a custom bracket and filler tube that bolts into stock locations. Kit includes the filler cap, filler pipe, mounting bracket, rubber hose and proper clamps. We also added a plate to allow you to bolt your stock gas cap to the inside of the trunk so the expensive stock gas cap cannot be opened or stolen. Not only are you solving your fuel spill issues, you're also reducing the possibility of theft of your decorative chrome gas cap. This kit is in production and expected to hit our shelves soon! Order today.

GTR64X .. 64-65 Falcon Fuel Filler Relocation Kit ..kit 229.95..Sale 206.96

Courtesy Light

When you're getting out of your car at nighttime, it sure helps to be able to see the ground below. This courtesy light will do the job, plus it also features a red light to let other drivers know your door is ajar. These courtesy lights were originally used on Mustangs, and are not original on Falcons. They are, however, a very nice upgrade for your door panels.

DCL101..... Courtesy Light (Replacement) ea 49.95..... Sale 44.96

1962-1963 Falcon Trunk Lock Assembly

We now offer the trunk flip lock assembly for the 1962-1963 Falcon. This is a die cast chrome plated assembly with the gold colored "flip" door. The insert and trunk lock are not included, and are sold separately. A high quality reproduction made to original specifications.

TLC62X..... 62-63 Falcon Trunk Lock Assembly..... ea 219.95..... Sale 208.95

FREE 2011 CALENDAR

For all orders over \$50, we'll ship you one of our brand new 2011 Dearborn Classics Calendars. Our 2011 full color calendars will feature 12 awesome Fords – something you'll be proud to display. Printed on heavy, glossy paper stock, these new calendars will look great in your home, office, or garage!

NOTE: Offer ends midnight, Nov. 30, 2010.

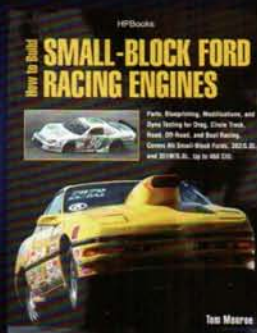

Calendars will be mailed separately (not with your parts order) in early December.

How To Build Small Block Ford Racing Engines

This guide for building a race-winning Ford engine includes chapters on parts and engines, cylinder blocks, cylinder heads, bottom end modifications, exhaust systems, cooling systems, final engine assembly, dyno-tested performance combinations and more!

LT293..... How To Build Small Block Ford Racing Engines..... ea 19.95..... Sale 17.96

PLEASE NOTE: Must mention code DCX10B to get special pricing! These special introductory sale prices expire at midnight, Nov. 30, 2010.
